

PIZZA

Not Your Average Slice

Street Corner Urban Market puts a fresh spin on classic pizza by serving it on soft, flavorful naan crust. This unique base offers a light, chewy texture with just the right amount of crisp, making every bite satisfying without being too heavy. Topped with quality ingredients like melty mozzarella, zesty tomato sauce, and a variety of savory toppings, the naan-crust pizzas are a quick, delicious option for lunch or a late-night snack. It's comfort food with a modern twist—crafted for people on the go who still want something genuinely good.

CRISPY CORNER CHICKEN

Korean-Style Fried Chicken

We've perfected our fried chicken with a standout combination: Korean-style wet batter paired with a Korean dry batter dip. After testing eight different combinations, this recipe came out on top for its superior taste, crunch, and texture. The chicken fries evenly without sticking—delivering jumbo-sized wings, tenders, and thighs that are crispy and juicy.

SIDES THAT SHINE

- Beer Battered Side Winders: These uniquely shaped fries are golden, crisp, and full of flavor
- Beer Mac & Cheese: Rich, creamy flavor—comfort food at its finest.
- Ranch Beans: Hearty, homestyle flavor
- Coleslaw: The perfect refreshing side

SALADS

Crisp, Fresh, and Full of Flavor

Street Corner's fresh salads are a crisp, colorful break from the ordinary—perfect for when you want something light, refreshing, and still full of flavor. Each salad is made to order with a variety of vibrant ingredients like leafy greens, ripe tomatoes, crunchy veggies, premium proteins, and bold dressings. Whether you're keeping it classic or going for something with a little global flair, these salads are a satisfying option that won't slow you down. Healthy eating has never been this convenient—or this tasty.
